

Etude Lyrics

“A DOLL” IS AN INSTRUMENTAL ETUDE BY JIM SNIDERO, AND I LIKE PRACTICING SINGING THE MELODY ALONG WITH THESE ADDITIONAL LYRICS THAT I WROTE:

[A] I can't conceal it...

She's got me wond'ring, I feel it...

She's so charmant and appealing...

I fell in love with a nice... Satin doll...

[A] Satin flowers, diamond rings will... help me get her!

But you know... She's a lady...

She needs 'em all everyday...

can't delay!

[B] I love her so... She doesn't know... about me

She lives her life... without me now... but in time...

[A] ...I'll win... her dry satin heart...

«'till... death... do us part»

That's what we will say!

We'll... be... glad...

AND IN LOVE!

[A] (Satin Doll) ...my sweet satin doll...

she's so romantic... And I am so in love

There she goes POP! POP! – She's here TAP! TAP!

[A] Better get up, my satin doll cannot be waiting!

She's my princess, I can't be late!

Etude Lyrics

[B] EVERYTIME SHE NEEDS TO SEE ME...

I RUN, DEAR... I HURRY...

I NEED TO KISS HER QUITE EV'RYDAY...

[A] I can't conceal it...

She's got me wond'ring, you feel it...

She's so charmant and appealing...

I fell in love with a Satin doll!
